Glenwood, IL to Celebrate Community Connections at Estates Park Aug. 1st

The Glenwood Estates Homeowners Association will be hosting a picnic Saturday, August 1, 2015 at Estates Park, Corner of 183rd Street and Illinois Avenue from 12:00 p.m. to 4:00 p.m.

Nellie Briggs of the Estates Subdivision encourages residents from the area to come out for a day of music, fun and food. Briggs says "Come spend the day with your neighbors and help us promote pride in homeownership. Our goal is to encourage some good clean fun for the children of this community". The Estates Picnic will be a relaxed atmosphere to see some old and new faces in your neighborhood.

Entertainment for the children will include an interactive video gaming machine and bubble foam sponsored by the Village of Glenwood Fire Department. Illinois Ave and Nevada will be blocked off, to accommodate baseball hoops, courtesy of Glenwood Police Department.

Tables, courtesy of the Village of Glenwood, John H. Blakey Senior Center, will be set up at the park for a shady lunch under the trees. Hamburgers and hotdogs, donated by the Glenwood Estates Homeowners' Association, will be served fresh off the grill. Chips and pop will also be available.

Estates Park is located on the corner of 183rd Street & Illinois Avenue in Glenwood. For more information, contact Nellie Briggs at 708-932-1323
