VILLAGE OF GLENWOOD

COOK COUNTY, ILLINOIS

RESOLUTION NO. 2013-_____

A RESOLUTION AUTHORIZING A VILLAGE REPRESENTATIVE TO EXECUTE POWER SUPPLY CONTRACT(S) WITH THE LOWEST RESPONSIBLE BIDDER(S)

ADOPTED BY THE PRESIDENT AND
BOARD OF TRUSTEES OF THE
VILLAGE OF GLENWOOD
THIS _____th DAY OF JANUARY 2013

RESOLUTION NO. 2013-_____

A RESOLUTION AUTHORIZING A VILLAGE REPRESENTATIVE TO EXECUTE POWER SUPPLY CONTRACT(S) WITH THE LOWEST RESPONSIBLE BIDDER(S)

WHEREAS, In January of 2007, Commonwealth Edison (ComEd) was deregulated by the State of Illinois. Prior to 2007, ComEd not only generated the power to all users in Northern Illinois, it also delivered the power through power lines. The deregulation divided up these two activities;

WHEREAS, prior to 2007, ComEd was required to "sell" its nuclear power plants to Exelon (its parent). This left ComEd with its only function to deliver the power through its power lines. ComEd remains a monopoly;

WHEREAS, the deregulation legislation opened up the Illinois borders to outside electric generators to compete with Exelon for the sale of power. Any commercial user can purchase its power through any of the ICC-approved electric suppliers. All generators send their power to ComEd, who in turn delivers it to the end user;

WHEREAS, the Northern Illinois Municipal Co-operative (NIMEC) was formed in late 2006 to help its members purchase their power as competitively as possible. NIMEC membership currently exceeds 125 members. NIMEC first aggregates its members' electric usage, then bids out the combined volume with the three largest Northern Illinois electric suppliers. The lowest bid is then presented to its members for its acceptance;

WHEREAS, the Village of Glenwood has joined the Northern Illinois Municipal Electric Co-operative (NIMEC);

WHEREAS, the Village has purchased its electricity with NIMEC's assistance since January of 2007 with favorable results. Because electric pricing is currently favorable, NIMEC may go to bid as early as February 1, 2013.

WHEREAS, due to the fact that electricity is a commodity, the bids expire quickly. NIMEC's bids are presented early in the morning, and expire at the close of business. NIMEC has advised its members that they will need to act on the day the bids are opened in order to contract for electric power from one of the bidders;

WHEREAS, it is anticipated that NIMEC will be able to obtain lower electric rates for its municipal members than those that would be otherwise available;

WHEREAS, the purpose of this resolution is to authorize an individual to determine the lowest responsible bidder and execute contract(s) on behalf of the Village for electric power with the lowest responsible bidders on the day that the bids are received by NIMEC; and

NOW, THEREFORE, be it resolved by the President and Board of Trustees of the Village of Glenwood, Cook County Illinois, pursuant to its home rule powers as follows:

SECTION 1: Recitals.

The foregoing recitals are a material part of this Resolution and are incorporated herein as if they were fully set forth herein.

SECTION 2: Determination and approval of the lowest responsible electric power bids.

The Village herein appoints and directs Linda Brunette to: (1) review the electric power supply bids that are received from NIMEC in conjunction with any advice and guidance that is received from NIMEC; (2) determine the lowest responsible bidders for the supply of electric power to the Village for each category of bids that are received by NIMEC; and (3) execute, authorize and/or approve, on behalf of the Village, contract(s) between the lowest responsible bidder and the Village of Glenwood for the purchase of the Village's electric power within the applicable time constraints that are necessary for the Village to take advantage of the lower rates that are anticipated to be available through the NIMEC bidding process. In the event Linda

Brunette is unable to perform the duties as set forth in this section, they shall be performed by the Village Administrator or by the Village President.

SECTION 3: Effective date.

This Resolution shall be effective immediately and remain in effect until such time as the 2013 NIMEC bidding process has been completed.

Re: Adam Winston

Dear Mr. Spence:

I serve as the corporate counsel for the Village of Glenwood. Your letter of January 9, 2013 demanding that Mr. Winston be certified for the April 9, 2013 ballot has been forwarded to my attention.

It appears that you are in agreement that Mr. Winston's failure to file a receipt for his filing of his Statement of Economic Interest with the County would preclude his placement on the ballot. The only issue raised in your letter is Mr. Winston's claim that he filed the required receipt as part of his nomination papers.

My review of this matter indicates that Mr. Winston presented his nomination papers on 9:15 a.m. on December 21, 2012. His papers were received by Linda Brunette who gave Mr. Winston a receipt for filing. The Village has a copy of this receipt. Accordingly, the contention this receipt was never created appears to be incorrect.

Ms. Brunette is a long time employee of the Village that has received nominating papers for numerous election cycles. She is aware of the requirement that individuals seeking to run for election must file a receipt showing that their Statement of Economic Interest form was filed with the County. Upon her review of the papers filed by Mr. Winston, she noticed that no receipt was attached. Ms. Brunette also brought this to the Village Administrator's attention that same morning. Village Administrator, Donna Gayden, also reviewed Mr. Winston's nomination papers and confirmed that they did not include the required receipt. Ms. Brunette and Ms. Gayden also brought this matter to

my attention that same morning. The Village Clerk, Ernestine Dobbins, also reviewed Mr. Winston's nominating papers and, as indicated in her letter, determined that no receipt was attached.

It is also important to note that prior to the 5:00 p.m., December 26, 2012 deadline for filing nomination papers, Donna Gayden offered Mr. Winston the opportunity to come to the Village Hall to review all of the nominating papers that had been filed. Mr. Winston declined this opportunity and indicated that he just wanted to know the names of the individuals that had filed.

All the nominating papers Mr. Winston filed were secured with a staple. This staple was intact when Mr. Winston's papers were reviewed by Ms. Brunette, Ms. Gayden and Ms. Dobbins. This staple was only then removed for copying in response to Hillary Winston's request for a copy of Mr. Winston's filed nominating papers. This request was made after Ms. Dobbins January 4, 2013 letter that you have now been provided.

I will be forwarding my report on this issue to the Village Clerk for her consideration.

Very truly yours,

John F. Donahue
