

## Glenwood Forest Homeowners and Residents Group Summer 2015 Report

A small flag was added to the memorial for Lt. Derwin Williams during the July 4th celebration, and it remains today.

It has been a wonderful quarter for the group. So much to talk about, it will be hard to keep the report short.

May brought together our group and Amvets Post 268 who sponsored the Remembrance Program on Memorial Day in our own Veterans Park. There were about thirty (30) citizens in attendance. There was a moving program and refreshments were served.

June brought our anniversary celebration for the group. We had a good turnout and celebrated with cake and punch.

July saw the return and an old Glenwood tradition, the 4<sup>th</sup> of July Parade. We lined up at Brookwood Junior High and stepped off at 10:00 am. Our numbers were small as we headed to Veterans Park, but with a little encouragement the spectators joined the ranks of the marchers. By the time we reached our destination we were 50 – 60 strong. Everyone enjoyed the refreshments at the park. The children enjoyed the balloons.

During our recently held August meeting we explored resources available for the youth of our community. Representatives from RAY, the Male Parent Advisory Committee, and Nellie Prather Foundation came out to discuss their work, and opportunities for us to work together. One of the most immediate was the expansion of our email network to ensure the community is informed.

Future plans include a Veterans Day celebration in the Park. All residents are encouraged to come to the monthly meetings and get involved. If we as residents stay involved our neighborhood will grow and prosper.

Thank you for all your help and assistance
