**Village of Glenwood Summer Yard Contest**

*The Summer Yard Contest will begin July 1, 2015 and runs through July 30, 2015*

With all the wonderful spring rain that the Village has received, Glenwood’s beautiful yards, tree and flowers are at peak beauty. It’s time to take a few moments out of our busy schedules and recognize those residents who go to the extra work and effort on their yards to truly make Glenwood Beautiful. Gardening and yard work is more than a hobby for some Glenwood Residents, it’s a passion.

Please submit photos of yards that you deem worthy of recognition. Each nomination should include a photograph, address and nominated resident’s name, housing unit and telephone number, if known. The contest is designed to encourage residents to make their yards more attractive, and to recognize a few of those who do. Residents may nominate their own yard or those of others within the Village of Glenwood.

There will be one first place winner per subdivision. (Estates, Manor, Old Glenwood, Forest, and Brookwood Point) A yard can win only once a year, but nominated yards remain in consideration all summer.

Sometimes the most beautiful yards go unrewarded because no one took a moment to nominate. Let’s all make this program a big success and recognize those residents who truly make Glenwood Beautiful.
