

The Glenwood Forest Homeowners and Residents Group Spring Report.

Our group has been busy building our numbers, and developing ideas for projects to accomplish.

In December we held a Dessert Potluck, plenty of desserts showed up. Everyone in attendance enjoyed meeting and greeting their neighbors, and sharing the holiday season.

In January Trustee Nielsen and Hopkins came out to discuss the current well water project the village is exploring. The information was extensive and informative. Some discussion followed.

In February we met with three (3) of the six (6) candidates for Village Trustee. Rich Nielsen, Adam Winston, and Miriam Slaughter all had an opportunity to introduce themselves to the group.

In March we will meet with the three (3) candidates for the School Board, John Dixon, Toledo Hart, and Patrick Echols. We will also meet with the three (3) candidates for Library Board of Trustees, Angela Dixon, Janet Uza, and Jeana Mays-Browne. In addition Deborah Birmingham will give us an update on the new Middle School building. Sounds like a busy evening, so please plan to attend.

Our committee work is continuing:

Communications/Community Committee: established a blog at www.gfharg.blogspot.com as well as a website <https://sites.google.com/site/glenwoodforestnewsgroup>. Both sites are actively being updated. In December they provide input for the Holiday Decorations contest. Currently they are working on a Vision and Mission Statement for the website.

Veterans Park Committee: Currently they are working on a Spring Planting party. They are also hoping to work with Amvets Post 268 to put together celebration for Memorial and Veterans Days.

Children's Committee: The committee has work with a local Girl Scout Troop. They are also exploring several mentoring programs for the community.

As you can see our group has been busy, and continue to push forward with our projects. Keeping in mind that we are an organization that votes with its feet, ideas can only become reality when we, neighbors, come together to make it happen. Any time you can provide will be appreciated.

We meet on the fourth (4th) Wednesday of the month at 6:30 PM at the Forest Fieldhouse located at 325 East Center Street.

Thank you,
Christopher D. Wager
GFHARG Facilitator
