

## Family Support and Community Engagement

CEDA's Department of Family Support and Community Engagement (FsACE) offers a range of services to Suburban Cook County residents, which assist low-income people in attaining skills, knowledge and the resources necessary to achieve self-sufficiency. The program may also provide direct client assistance to help remove barriers to self-sufficiency. Clients must sign and comply with a service agreement to be eligible for direct client assistance.

## FAMILY NUTRITION PROGRAM

The CEDA CSBG funded Family Nutrition Program, Greater Chicago Food Depository and participating member agencies\* are working together to provide access to fresh, nutritious, high-quality produce and nutrition education to income eligible families in suburban Cook County.

Meet with a CEDA FsACE Program Specialist to determine if you may be eligible to participate in this program at no cost to you and your family.

Restrictions apply.

Call CEDA for more details: (800) 571-CEDA (2332)
