RE: Fiscal Year 2027 Budget Survey

Glenwood Residents,

The Village of Glenwood Finance Department is committed to fiscal responsibility, transparency, and ensuring that our annual budget reflects the needs and priorities of the community we proudly serve. As we begin preparing the Fiscal Year 2027 Budget, we are reaching out to gather your input through a short five-question survey.

Your voice is essential in shaping how we allocate our resources. Whether it's public safety, infrastructure improvements, youth and senior services, economic development, or community engagement, your feedback helps us prioritize the programs and investments that matter most to you. This survey is one of the ways we work to strengthen fiscal transparency and ensure that taxpayer dollars are used effectively and responsibly.

We encourage you to take a few minutes to complete the FY2027 Budget Survey. Your participation will play a vital role in building a budget that is transparent, equitable, and aligned with the values of our residents.

Thank you for your time, your partnership, and your continued support in keeping Glenwood strong.

Warm regards,

Bryan Janssen
