Village of Glenwood
Revenue & Expenditure Budget
For Budget Year May 1, 2015 –April 30, 2016

We are pleased to submit the Village of Glenwood's FY 2016 Annual Budget for the fiscal year beginning May 1, 2015 and ending April 30, 2016. We believe this document is a sound financial plan where the overall goal is to deliver the best municipal services possible to the citizens of Glenwood.

Included in this years' budget packet are footnotes to the budget which explain significant variances of revenue and expenditure line items and a Capital Equipment Replacement Schedule. The footnotes can be found at the end of the budget.

The Capital Equipment Replacement Schedule will be funded through the sale of Village owned assets, such as land, buildings, etc. The priority of purchases will be determined by the Village President and Trustees. There will be no purchases made if funds are not available.

This document represents a conservative but real budget for both expenses and revenues. Both are based on the current economic climate, departmental operating plans and anticipated government cuts. This budget plan provides funding for basic services, critical needs and equipment replacement and upgrades.

It is important to note that this budget is a cash based budget which does not include depreciation or amortization. Also the 2015 actual numbers will be updated after the completion of the audit.

2016 BUDGET HIGHLIGHTS

The fiscal year 2016 proposed budget totals \$15,732,019 which represents an overall \$1,321,753 9% increase in revenue and a decrease of expenditures of (\$462,981), (3%) over the fiscal year 2015 adopted budget. Budgeted funds include the General Fund, Motor Fuel Tax Fund, Sewer and Water Fund and the Glenwoodie Golf Club. See exhibits A, B & C for a budget recap along with changes from the prior year.

REVENUE

The Village receives it revenue from a variety of sources – ranging from property taxes, other taxes, intergovernmental income, licenses, permits, fees, fines, reimbursements, service charges, sewer and water, food and beverage, golf, and other miscellaneous income. See Exhibit A.

The revenue for the General Fund represents an overall increase of \$191,311. The significant changes represent an increase of 4% or \$142,551 in property taxes, a \$200,500 increase in fines, forfeitures and reimbursements, \$500,000 for the recently passed 1% Home Rule Sales Tax. The Local Government Distributive Fund (LGDF) will be reduced by (\$368,954), (42%), due the proposed legislative cuts and a proposed (\$253,000) or (30%) decrease in sales tax which is due to the potential closing of Walmart.

The Sewer and Water Fund revenue budget reflects an increase of \$1,595,641 or 59%. This increase is due to the increase of water rates and an increase in the debt service revenue. It is important to note that the expenditure for water has increased by \$468,000 or 45% due to the rate increase for water from the City of Chicago Heights.

Glenwoodie Golf Club revenues are budgeted for a decrease of (\$49,199), 2% over the 2015 budget. The excess income of \$97,913 is a result of management's due diligence in minimizing of expenditures. See exhibit B.

The Village continues to look for ways to reduce expenditures where opportunities exist. This last year we have focused on the use of technology, benefit costs, fair compensation and reorganizing departments where needed. Keeping the Village's current service levels will require close monitoring and attention to staffing issues.

SUMMARY

In conclusion, it is anticipated that the increase in the Village overall revenues will level off, and only minor revenue growth is being projected. With that being said, the Village of Glenwood has become even more innovative with how Village services are provided and more diligent in terms of the utilization of resources within the 2016 operating budget. This budget establishes a financial foundation for the Village Board to accomplish their goals. The Village's continued combined efforts will ensure the Village of Glenwood can continue to provide the traditional high level of service to the residents and businesses of Glenwood.

Below are the footnotes for budget account numbers with significant dollar change.
