***“Skate to Benefit Our Warriors”
Glenwood Roller Rink and Village of Glenwood team up in an effort to raise funds for
Wounded Warrior Project® (WWP)***

As many of you know, The Village of Glenwood is passionate about giving back to our nation’s service members – the few who fight to protect the freedom of this great country. Often times many of these inspiring individuals come home with wounds you can and can’t see, like a missing limb, combat stress, or depression. Because they’ve risked everything for us, The Village of Glenwood is committed to raising awareness and funds for these wounded service members and their caregivers.

The Village of Glenwood and Glenwood Roller Rink are proud to host an event benefiting an organization whose mission is to honor and empower Wounded Warriors. Wounded Warrior Project® (WWP) has a big, audacious goal: to foster the most successful, well-adjusted generation of wounded service members in our nation’s history. The Village of Glenwood and Glenwood Roller Rink are up to the challenge to help WWP reach this vision, and we need your help.

WWP offers 20 holistic programs to wounded service members and their caregivers completely free of charge and 100% of the funds raised through the this event go directly to Wounded Warrior Project to help fuel these programs.
